PROJECT DETAILS (TELL US WHAT YOU HOPE TO ACCOMPLISH):

HOW WILL THIS PROJECT EXPAND LEARNING OPPORTUNITIES FOR AG-ED STUDENTS?

"Learning by Doing" was created to help Wyoming's agricultural education classrooms expand student opportunities. Are you in need of new equipment or funds that will help students broaden their horizons? This is the program to help reach those goals. Priority will be given to those projects that have a lasting impact. Applications should be e-mailed to Womack@Wyoming.com no later than Feb. 1, 2012. Funds not distributed during the spring of 2012 will be held over for applications submitted during the fall application period.
