Dear friends and supporters,

Exciting news! As a long-time supporter of the Cowboy Chuck & Chip golf tournament, we wanted to let you know that we have decided to host a Cornhole Tournament this year on the Wyoming State Fair Grounds. This will provide a great activity during the state fair all while supporting two great organizations.

The Cowboy Cornhole Tournament will be held Tuesday, August 17 near the Beer Gardens on the State Fair Grounds. Cash prizes will be awarded to the top two teams.

The Wyoming FFA Foundation works to maximize the opportunities available to the state's 3,000 plus FFA members and 55 chapters. Our efforts are aimed at ensuring the FFA program's ability to continue making a positive difference in students' lives by developing their potential for premier leadership, personal growth and career success through agricultural education. Scholarships, funds for chapter enhancement and educational opportunities and awards for outstanding FFA members are just a few of the areas where we focus our efforts.

The Wyoming Natural Resource Foundation is a 501(c)3 organization which implements natural resource conservation programs. Programs include the Pathway to Water Quality and Living Legacy programs on the Wyoming State Fairgrounds, forest health projects, wildlife habitat enhancement, a scholarship program and more.

As you know, behind every successful event are the important contributions from businesses, friends and supporters. We have valued your support of the golf tournament in the past and sincerely hope you can join us as a sponsor of this new event in 2021! We have enclosed a sponsorship form to use in determining your level of support. Please complete the form and return it to the address listed on the form.

We would like to thank you in advance for considering our request. Please note that a \$600 and higher-level sponsorship includes entry into the tournament for your two-person team. Please be sure and note if you will be sending a team so we can reserve your spot.

If you have any questions, please contact Hunter Petsch at 307-632-5716 or Oaklee Anderson at 307-851-4392.

Sincerely,

Hunter Petsch, Executive Director
